## The new importance physicians are attaching to a familiar cake of food

Why yeast is being prescribed as a "conditioner"

NE vital element in food without which we cannot keep fit! This new discovery of science is startling thousands of men and women today.

Are we getting enough of this single element—this vitamine-in our everyday meals? Without it, scientists are agreed, we fall off in health.

A number of foods, notably spinach, contain this vitamine. But from many of our everyday foods it has been removed

## How to take yeast

Many like it dissolved in milk water, or fruit-juices; or spread on crackers, bread, or toast; or just plain in the cake.

I to I a day-before or between meals Place a standing order with your gracer for Flaischmann's Yeast.

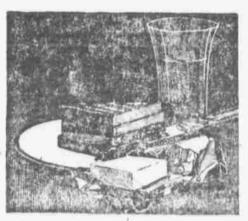

The richest known source of this vitamine is yeastjust the familiar little cake of Fleischmann's Yeast. That is why thousands of men and women are taking yeast to correct complaints which often come with a lowered vitality and to maintain natural, vigorous health.

## Also taken for skin eruptions and constipation

Fleischmann's Yeast has been scientifically tested in leading medical institutions. Cases of skin eruptions and boils have yielded rapidly to yeast treatment and even long chronic cases of constipation have been corrected.

Yeast is a food, highly digestible, entirely wholesome. It is assimilated in the body just like any other food. Only one precaution: if you are troubled with gas, dissolve yeast n boiling water before taking it.

For lowered vitality, skin eruptions, boils or constipation, take from 1 to 3 cakes a day of Fleischmann's Yeast. Eat it before or between meals. You will quickly learn to like its taste. Try it on bread or buttered toast; in milk, water or fruit juices; or just plain. In acute cases always consult your

for I was determined that she should not suspect that one unpiesaant word had passed between Hugh and me.\*
Those first tears of a bride—they are liquid fire. They are like so many deeps of acid, burning into her very soil. Only the tears of a mother, shed for a lost or erring child have more of concentrated anguish in them. The marvel of them is that they are clear and translucent instead of being scarlet. For they are as so many drops of blood drawn from a bleeding heart.

When I had summoned the courage to join Hugh where he sait calmly susual charming manner of gallantry, just as if there had not been a ripple on the surface of our happiness. "Won't you have this chair, dear?" he asked smilingly, pushing forward the little chings-covered armchair I MANUFACTIBER'S sample grosses, will retail as earther. W. T. Bram, look alease, 45 W. T. Esther to the theatre, and Esther, after some thought had agreed to go. "I don't suppose Raymond---"

"So it's Raymond Ashton," cried June. "And you let me run him down." Esther flushed scarlet, "And he's not a phantom lover; he's very real," she said.

June patted her hand; but said nothing. She was deep in thought. They met Micky and dined. Then

hey went to the theatre. When the light went down again Esther leaned a little closer to him. 'Mr. Mellowes -- " she said.

"Yes," Micky bent his head toward her eagerly. He could hear her agitated breathing, hear too the little quiver in her voice when she spoke,

on the right?-the lower box. . . . I thought it was Mrs. Ashten."

Micky answered casually that very likely it was. "Old, sh," he said, "that we should have lickels for the same show?" Esther said "Yes-yea" twice in

nervous hurry.
There was something strained and unnatural about her, and though Micky could not see her face clearly.

he knew that something had happened to distress her. "What is it?" he asked anxiously. "Is anything the matter? She shook her head.

"No. She sat very still till the currain fell again, but Micky had the feeling that she was not paying the least attention "That being set of course it is useless for me to ask if you have changed
your mind yet?" he said again.
Esther gave a stifled cry.
"Are you trying to insult me?" she
asked under nor breath.
He half smiled.
"I am, if it's an insult to ask you
to marry me."
There was no time for more
June came back.

she was not paying the least attention
to what was going on on the stage.

and he knew that her eyes turned
again and again to the stage box.
What was she afraid of, he asked
himself in perplexity, even if Mrs.
Ashton did see her and recognize her,
surely—then in a flash he knew.

the light had been turned up suddenly, and in that moment he had
seen the figure of a man move quickly
fune came back.

"What looks good to you, sweet Alma?"

A prilite young Greek stood respectfully, waiting for our order. With a little sich and a smile into Hugh's eyes, I turned my relocant attention to the mean the waiter was holding out to me.
